

Effective People Management

Presented by Glen Pearsall, Ocean Consulting, NSW Department of Education

This workshop explores practical strategies for building and maintaining effective teams. It give leaders a tool kit to approach the everyday challenges of leadership.

Format: 2 Hour Workshop

Audience: Ideal for both new leaders who want to hone their skills and experienced leaders looking for new strategies.

Description

This workshop explores practical strategies for building and maintaining effective teams. Ideal for both new leaders who want to hone their skills and experienced leaders looking for new strategies or a fresh approach, it give leaders a tool kit to approach the everyday challenges of leadership: Topics covered include communication skills, establishing positive relationships, managing challenging conversations, meeting protocols, building capacity and coaching for change. The emphasis here is on developing emotional intelligence and the corresponding communications to create a supportive and rigorous team culture.

About the team

Glen Pearsall

Creator

Glen Pearsall works throughout Australia in leadership, communication and organisational change. He is best known in the Education Sector where his popular books include Classroom Dynamics and the best-selling And Gladly Teach. He has particular interest in work place coaching, and the art of dealing with group dynamics and challenging behaviors. Glen's work is used by organisations both here and overseas. His latest book Educational Leadership will be published in July by The TLN Press.

Ocean Consulting

Presenter

We design and implement an integrated approach to leadership development. We help to develop leaders who can change and embody culture and who can affect the bottom line through greater people engagement. We develop leaders who support business performance and innovation.

NSW Department of Education

Creator

Our teachers are of the highest calibre and get the support they need to improve every year.

Learn about our priorities at a glance.

Great Teaching, Inspired Learning - at a glance

Great Teaching, Inspired Learning is the NSW Government's plan to improve teaching quality in NSW schools.

Quality Teaching, Successful Students - at a glance

Quality Teaching, Successful Students provides an additional staffing resource allocation to NSW public schools with primary students.

School Leadership Strategy - at a glance

The School Leadership Strategy increases support for school leaders so they can focus on leading teaching and learning in their schools.
